Principal's Message

Welcome to our last newsletter for Term 3.

Last week was School Support Recognition Week, where we took the opportunity to formally recognise and say thank you to the support staff in our school. Kerry, Sarah and Anne-Maree were presented with flowers and we had a lovely afternoon tea provided by Miss White. These ladies work hard to ensure that our school runs smoothly and effectively, and we thank them for their hard work. We would also like to take this opportunity to farewell Anne-Maree as our General Assistant. Anne-Maree has worked to keep our grounds safe and tidy for the past 13 years. We wish her all the best as she moves into a new phase of her working life.

Our garden is doing very well at present. This project started as seed germination observations in science and has developed into a hardy green space that attracts a lot of interest and input from students. So far, we have twice harvested silver beet for use in recipes that students have enjoyed cooking and eating. We look forward to expanding this space and lots more cooking as our produce continues to flourish.

Next Tuesday at 2:15pm, I am hosting a parent meeting regarding our 3-6 Sydney Excursion. As the excursion begins the first day back of next term, this will give the opportunity to go through the itinerary and gear requirements. If you cannot be in attendance at this meeting, please let me know. Just a reminder that permission notes and payments need to be returned as soon as possible.

Garah CWA Christmas Tree

Garah CWA Christmas Tree will be held Saturday 9th December 2023.

With the growing number of children in the Garah District we would like to clarify the following changes.

*For newborn babies to children of 12 years of age living in the Garah District will be eligible for the Christmas Tree List.

If your family is new to the Garah District, please get in contact with the Garah CWA so your child may be added to the list.

Thank you for understanding this change.
