Principal’s Message

It is truly hard to believe that we are three weeks into the term already. Only 8 Fridays until Christmas!

You may have heard in the media that there will be changes to the number of Staff Development Days from next year. At this stage, we have not been informed when these days will take place, but it may mean changes to the date students resume school in 2025. We will inform you in the coming weeks as information becomes available.

Next Monday, we will warmly welcome four preschoolers and their parents for the first of our Kindergarten orientation sessions from 9:30-10:30 am. This is a time that our current students look forward to and we can’t wait to welcome them.

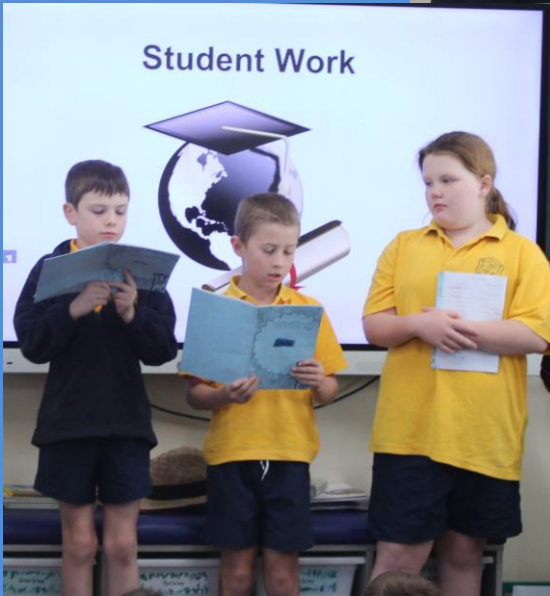

We had our school photos earlier this week and while some people say that they wouldn’t be a teacher for quids, there is no way I’d be a school photographer! The photographers worked hard to ensure that there was a smile on everyone’s face, even when there were some stubborn non-smiling students. Thank you everyone that paid online. It certainly made our day a little easier.

I am happy to say that our attendance has improved significantly after a bumpy start to the term. Please remember that if your child is absent, an explanation of their absence is a legal requirement. Should your child’s absence extend beyond the initial notification period, please keep in contact with us to let us know. Text messages are often the most efficient way to communicate an absence if you don’t need to speak with us.

Please keep an eye on the dates in the school calendar as our end of year events will be here before we know it.

Janene Petersen (Principal)
