“Helping each child achieve their potential”

Infants Excursion

Next Tuesday Miss White, Miss Marchand and the K-2 class will be travelling to Moree for an excursion to the Moree Historical Museum and the BAMM Art Gallery.

Students will need to wear their school uniform and bring a packed lunch, recess and water bottle.

Dear Parents and Carers,

Firstly, I would like to wish all our mothers a Happy Mother's Day for Sunday 11 May 2025. You contribute to the lives of your children in ways no words cannot describe. A special friend, cook and chauffeur your talents are without bounds yet you also find time for the little things such as checking in on us and best of all you always do it with a smile that lights up everyone's day. You truly are real lifesuperheros and for that we wish to acknowledge all of you on your special day and hope you get spoilt rotten.

This week Mr Pankhurst has informed me that he will not be continuing in his role as our General Assistant. I would like to take this time to acknowledge and thank him for the contributions he has made to the school over the past 3 years. He has supported our school in so many ways and will be leaving us all with many fond memories. If you see Mr Pankhurst around town you might wish to personally thank him.

This opens the position of General Assistant at Garah Public School. This role is vital to the maintenance and upkeep of our schools. The successful applicant will be required to perform a range of tasks relating to the routine maintenance and upkeep at Garah Public School. The position is for 8 hours over the week and requires the applicant to complete these hours between 6.00 am and 6.00pm either on one day or in parts between Monday to Friday on 19 days of each 20-day cycle. A GA cannot work their ordinary hours on a Saturday or a Sunday. Anyone interested in the position can email me at garah-p.school@det.nsw.edu.au with the subject "Interest in GA position," or alternatively come and see me at school to talk about the position.
