Classroom Awards

William – For giving great answers in Mathematics

Jasmine – For always excelling in her work

Heath – For using a plan to write interesting sentences

Sports Award:

Camilla – For showing good ball control skills when playing soccer

Dear Parents and Carers,

Things are progressing on the playground equipment front with the Department of Public Works attending the site today to map where the playground will be going. Once complete the next step will be the removal of the equipment and foam ground cover. This will then be proceeded by the construction of the wooden boarders to hold the woodchip in and the placement of the equipment that has already been ordered, we are just awaiting delivery.

Next week sees Peter and Jasmine travelling with me to the Warrumbungle National Park Environmental Education Centre for a 3 day leadership course. This is a great opportunity for these students to develop their leadership skills and is something we hope all students at the school will get to participate in over the years to come.

The P&C are organising some Easter Raffles, these will be separate to the Garah Hotel this year and will be sold through the P&C on a 100 board. Please feel free to come in and organise tickets or numbers once things have been finalised. The Easter Hat parade and activities will be on Thursday 10 April between 2-3pm. You are welcome to the school from 1:30pm onwards to have recess with your children, followed by the parade and then an Easter Egg hunt for the students. We are happy for grandparents and relatives to attend so please encourage all to come along.

This year we have booked Lake Ainsworth Sport and Recreation camp for the Years 3-6 students during Term 3 Week 10. We will be going with Pallamallawa Public School. More information will follow. K-2 will be doing a single day excursion that we are currently organising. We will let you know once the venues have been booked.

Damien Vaughan, Principal (Rel)
