Principal's Message

Dear Parent(s) and Carer(s) of Garah Public School,

This week saw a number of our students attempt NAPLAN. I am proud to say that we completed all the tests within the first two days and that all students gave it their very best. I want to thank every parent for getting their children to school and for creating a seamless process.

Thank you to all the parents who came into the school for the three-way conferences, we were able to work towards establishing goals as a partnership between the teachers, students and parents. These goals will form a foundation from which we can work together to help students achieve throughout the year. For any parents who missed the meeting we will be in touch shortly to organise alternative times.

Thank you to everyone for getting their children to school each day. I know we are all working hard and in partnership to make sure we realise our goal of 90% of students attending 90% of the time. Currently, we are working on mid and end of term attendance reports to help parents get a clearer picture of their child's attendance rates.

As always, my door is always open to anyone who wishes to come and talk about any issues at school. Please feel free to come and talk to me at any time or ring the office to make an appointment.

Damien Vaughan, Principal (Rel)
